2) The Director states that the Conveyance allowance (of Rs. 35/-p.m.) is proposed to be given to Rly Muppinaiya with retrospective effect because he has been in charge of the Government Central Depot at Mysore, since the date of his appointment to the post of Kuppelis' Depot, i.e. from 26.5.1943.

2) As regards the nature of the Conveyance maintained by Rly Muppinaiya, no specific information has been furnished. I do not think a case for Conv. allce in addition to Daily allowance is made out. The mills were all quite near the central depot & the Rly Stn. & there were also Thanas & hence separate officials in ch. of the mills. It is also obvious that he has not maintained any Conveyance & if he has covered "long distances" he will get mileage or Daily allowance as he can may be 26.4.W.

To

The Secretary to the Government of Mysore,
Development Department (Supplies),
BANGALORE.

Sir,

Grant of Conveyance Allowance to Mr. Muppinaiya.

I have the honour to forward herewith copies of letters no. T.C.232/43-44 dated 31-5-1944 and No.A.3447/43-44 dated 16th November 1944 (~~in original~~) received from the Deputy Commissioner, Mysore district in the matter of granting conveyance allowance to Mr. R. Muppinaiya, Officer-in-charge of the Government Central Depot at Mysore and to state that Mr. Muppinaiya has been on this work ~~xx~~ from 26th May 1943 and has been sanctioned only a deputation allowance of Rs.30/- per mensem as per scale laid down in G. O. no.SD.4577-88/A.123-43-9 dated 11th January 1944 and no conveyance allowance has been attached to the present post, held by him.

2. The nature of work entrusted to him requires his moving through out the City almost every day, frequently to exercise efficient control over the working of the purchase depots and the rice mills, which are situated at great distances apart and the grant of Conveyance Allowance in addition to the deputation allowance is absolutely necessary.

3. Mr. Muppinaiya holds the status of an Amildar and would have got a F.T.A. of Rs.50/- and the special allowance of Rs.25/- if he were in charge of a taluk.

3. I therefore request that orders of Government may kindly be obtained for the grant of ~~Rsxxx~~ a conveyance allowance of Rs.35/- per mensem (in addition to the duty allowance) as in the case of the Officer-in-charge of the "City Central Depot" at Mysore, who is working under the Chief Rationing Officer, Mysore city, from the date of his joining duty (26-5-1943) as the Officer in charge of the "Government Central Depot", at Mysore.

I have the honour to be,
Sir,
Your most obedient servant,

Lett r no.A.3447/43-44 dated 16th Nov. 1944 from the Deputy Commissioner, Mysore district.

Grant of conveyance allo.ance to Mr.Muppinaiya.

1) With reference to your letter no.C2-C.2945 dated 10th Nov.1944, on the above subject, I have the honour to state that prior to the introduction of the rationing scheme to Mysore city, there were 20 depots in Mysore city and he was in charge of all of them. There are 16 rice mills in Mysore city, which are purchasing depots for paddy. To exercise efficient control over the working of the purchase depots and the rice mills and to check the 'Iluvar of rice, he will have to be moving about in the city from mill to mill constantly. The rice mills are situated in the City at great distances apart. Conveyance allowance is absolutely necessar for him.

2) In the circumstances, I request you kindly to obtain sanction of Government to the payment of the conveyance allowance of Rs.50/- p.m. to Mr.R.Muppinaiya, with retrospective effect from the date o his appointment as already recommended.

3) In case, he makes any journey outside the city for purposes of transport of grains either from or to taluks, travelling allo.ance will be allowed to him under Mysore Service Regulations.

To

B.S. RAGHAVENDRA RAO, ESQ., M.A.(HONS.),
The Director of Food Supplies in Mysore,
BANGALORE.

Sir,

In enclosing herein for favour of your perusal the representation of Mr. R. Muppinaiya, Amildar in charge of the Government Central Depot, Mysore, praying that he may be given an allowance of Rs. 50/- p.m. as in the case of Mr. G.P. Nagarajiah, whose work is similar to that of his, I have the honour to state as follows:-

Mr. R. Muppinaiya, Amildar, has been in charge of the Government Central Depot at Mysore since 26th May 1943 and since then he has been deprived of his Fixed Travelling Allowance of Rs. 50/- p.m. which he would have got had he only continued to be in charge of a Taluk. Consequent on the introduction of the Harvest Scheme, the Amildars in charge of Taluks have been sanctioned a special allowance of Rs. 25/- p.m. in addition to the Fixed Travelling Allowance of Rs. 50/- p.m. they were getting, thus making a consolidated allowance of Rs. 75/- p.m. Mr. Muppinaiya having been drafted on to Civil Supplies work has only been sanctioned a Deputation allowance of Rs. 30/- only depriving him of other allowances.

As regards the nature of work that Mr. Muppinaiya has been entrusted with in the Civil Supplies Section, I need hardly state that in the Civil Supplies Department high standard of efficiency, administrative skill, energy and integrity are absolutely necessary for the efficient discharge of duties and I have no hesita-

hesitation to certify that Mr. Muppinaiya possesses all the required qualities and has managed the Depot without giving room for complaint from any quarter.

Mr. Muppinaiya is really a touring officer and on almost all the days in the month he will have to be inspecting the several rice mills situated in different corners of the City to check the maintenance of the prescribed accounts and generally to regulate the working of the Rice Mills. In view of the laborious work he has to attend both in the office and outside as an executive officer, I had already recommended in my office letter [redacted] dated 7thNov. 1943 for the grant of an allowance of Rs. p.m. with effect from the date of his joining duty in the Government Central Depot, Mysore. I once again recommend that his case may kindly be recommended to Government for the sanction of a consolidated allowance of Rs. 80/- p.m. with effect from the date of his joining duty in the Government Central Depot, Mysore, as prayed for by him, since Mr. G.P. Nagarajiah, the Amildar in charge of the Government Central Depot at Bangalore is also getting such allowances and there does not seem to be any marked difference in the nature and volume of work that the two officers are entrusted with.

Early orders of Government may kindly be obtained and communicated to me.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.

SIR,

Grant of Conveyance allowance to
Mr. R. Muppinaiya, Mysore City.

With reference to your Memo No. C2-C.2945 of 44-45 dated the 18th January 1945, forwarding a copy of letter No. SD.4055/A.161-44-2 dated the 13th/15th January 1945, from the Secretary to Government, Development Department, (Supplies), Bangalore, on the above subject, and calling for a report thereon, I have the honour to state as follow

The Government Central Depot is the life line of al supplies to this District. It is a District Reserve Depot getting its supplies of several commodities from variou places both from within the District and outside and distributing it among the several sales Depts Depots in the District and the Mysore City Ration Depots. The continuan of the Government Central Depot is, therefore, sine-quo-nc for all supplies.

There are 16 Rice Mills in Mysore City, all of whic are notified as Government Purchase Depots for paddy. All these Purchase Depots and the Central Depot are under the control of the Officer-in-charge, Government Central Depot Mysore. These Mills are situated at great distances apart Arrangements have been made for the import of large quantities of paddy from Coorg, viz., 18,000 tons of paddy during this year. The transactions (both monitary and sto involved in these Depots are very heavy. The work of the Mill owners and the Assistant Food Inspectors has to ba constantly supervised and the despatch of rice Mysore City to deficit Districts as according to the movement programm arranged. Besides, receipt and disposal of standard cloth have to be administered in the Government Central Depot, which acts as a Reserve Depot for standard cloth also. I need hardly reiterate that this work involves heavy respon sibility and requires an Officers of the rank and status of an Amildar.

The Civil Supplies Inspector cannot be entrusted with such responsible work involving several lakhs of Rupe He will only attend to verification of stock and enquiries regarding the disposal of applications for transport of controlled commodities, and compilation of statistical information in the City under the instructions of the Food Assistant.

I am, therefore, of opinion that the need for ~~a~~

/

continuing the post of the Officer-in-charge, Government Central Depot, now held by Mr. Muppinaiya has not ceased but on the otherhand, the work is developing on all sides and the need for the post is imperative.

In the circumstance, I request that sanction of Government may kindly be obtained to the grant of a conveyance allowance of Rs.50/- p.m. to Mr. Muppinaiya, with retrospective effect from the date of his joining duty as Officer-in-charge, Government Central Depot, Mysore, and communicated to me early.
